

Britney
Spears

...baby one more time

A photograph of Britney Spears sitting on a light pink background. She is wearing a red short-sleeved button-down shirt over a white top, and a dark denim skirt. She has long, wavy blonde hair and is smiling at the camera. Her hands are resting on her knees, and she is wearing light-colored high-heeled sandals.

...Baby One More Time

Oh baby, baby
How was I supposed to know
That something wasn't right here
Oh baby, baby
I shouldn't have let you go
And now you're out of sight, yeah
Show me how you want it to be
Tell me baby 'cause I need to know now, oh because

CHORUS

My loneliness is killing me
I must confess I still believe
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time

Oh baby, baby
The reason I breathe is you
Boy you got me blinded
Oh pretty baby
There's nothing that I wouldn't do
It's not the way I planned it
Show me how you want it to be
Tell me baby 'cause I need to know now, oh because

Repeat CHORUS

Oh baby, baby how was I supposed to know
Oh pretty baby, I shouldn't have let you go
I must confess, that my loneliness is killing me now
Don't you know I still believe
That you will be here
And give me a sign
Hit me baby one more time

Repeat CHORUS

Sometimes

You tell me you're in love with me
Like you can't take your pretty eyes away from me
It's not that I don't want to stay
But every time you come too close I move away

I wanna believe in everything that you say
'Cause it sounds so good
But if you really want me, move slow
There's things about me you just have to know

CHORUS

Sometimes I run
Sometimes I hide
Sometimes I'm scared of you

But all I really want is to hold you tight
Treat you right, be with you day and night
Baby all I need is time

I don't wanna be so shy
Every time that I'm alone I wonder why
Hope that you will wait for me
You'll see that you're the only one for me

I wanna believe in everything that you say
'Cause it sounds so good
But if you really want me, move slow
There's things about me you just have to know

Repeat CHORUS

Just hang around and you'll see
There's nowhere I'd rather be
If you love me, trust in me
The way that I trust in you

Repeat CHORUS

Born To Make You Happy

I'm sitting here alone up in my room
And thinking about the times that we've been through (oh my love)

I'm looking at a picture in my hand
Trying my best to understand
I really want to know what we did wrong
With a love that felt so strong
If only you were here tonight
I know that we could make it right

CHORUS

I don't know how to live without your love
I was born to make you happy
'Cause you're the only one within my heart
I was born to make you happy
Always and forever you and me
That's the way our life should be
I don't know how to live without your love
I was born to make you happy

I know I've been a fool since you've been gone
I'd better give it up and carry on (oh my love)
'Cause living in a dream of you and me is not the way my life should be
I don't want to cry a tear for you
So forgive me if I do
If only you were here tonight
I know that we could make it right

Repeat CHORUS

I'd do anything, I'd give you my world
I'd wait forever, to be your girl
Just call out my name, and I will be there
Just to show you how much I care

Repeat CHORUS

From The Bottom Of My Broken Heart

"Never look back," we said
How was I to know I'd miss you so?
Loneliness up ahead, emptiness behind
Where do I go?

And you didn't hear
All my joy through my tears
All my hopes through my fears
Did you now, still I miss you somehow

CHORUS

From the bottom of my broken heart
There's just a thing or two I'd like you to know
You were my first love, you were my true love
From the first kisses to the very last rose
From the bottom of my broken heart
Even though time may find me somebody new
You were my real love,

I never knew love 'Til there was you
From the bottom of my broken heart

"Baby," I said, "please stay.
Give our love a chance for one more day"
We could have worked things out
Taking time is what love's all about

But you put a dart through my dreams
And I'm back where I started again
Never thought it would end

Repeat CHORUS

You promised yourself
But to somebody else
And you made it so perfectly clear
Still I wish you were here

Repeat CHORUS

"Never look back," we said
How was I to know I'd miss you so?
