Michelle Grafwallner (above left) headed to South Padre Island from chilly Wisconsin, where she's gunning for a Ph.D. in education. To Michelle's right is Panama City slicker Lee Ann Koskie, a Georgia volleyball goddess who confesses to being a tomboy. (Fooled us.) Below, Green Bay escapee Brenda Archiquette enjoys some beachside manhandling by a gaggle of New Yorkers on the prowl in Cancun.

**FUCK ME!  
FUCK YOU!  
FUCK EVERYBODY!**

From Austin, Texas, meet South Padre visitor Colleen Evilsizer (left), a native of Limestone, Maine and a bona fide poster girl for spring break revelry. Colleen loves swimming, roller-skating, video games and any Six Flags park she comes across. Above, a decidedly male audience takes in a Panama City bikini contest with a thong in its heart; below, a fair pair of surf worshipers soak up the beauty of sunny Cancun.

Say hey again to Michelle Guice (below), who plans to become a zoo veterinarian. Below Michelle, Michiganian Emily Bowling bends over backward to please the gang at Tequila Frogs on South Padre Island (hosted by Saved By the Bell's Mario López). Another Padre partyer, Mikyla Chernoff (right), is a former circus performer and devoted mom. On the facing page, Julie Drain (bending) came to Cancún from Tyler, Texas, while Panama City drop-in Melanie Starr (to Julie's right) earns a living in Indiana. And check out the frenzied naughtiness at Tequila Frogs (opposite, bottom), as Memphis' Ashley Burnette licks the competition, namely, Tennessean Jammie Parker.

# That Touch of Sable

meet the wwf women's champ, a minky study in beauty and brawn

**O**N ANY GIVEN MONDAY, millions of 12- to 34-year-old males ditch out on televised football to watch *Raw Is War*, the World Wrestling Federation's in-your-face grappling extravaganza. The program, a *Jerry Springer-All My Children* crossbreed, features a whole lot of ass whupping and melodramatic plot lines involving good versus evil. It's very entertaining. But the real reason we tune in,

and perhaps the reason *Raw Is War* is the USA Network's highest-rated series ever, can be seen on these pages. Her name, in case you've been living under a wrestling mat, is Sable. Known outside the ring as Rena Mero, the Florida native modeled for Guess, Pepsi and L'Oréal before becoming the WWF women's champion. We pinned her down for an exclusive interview. *(text concluded on page 173)*

**Above:** Sable was voted "dressed to kill" at the 1997 Slammy Awards, and for good reason. **Below left:** Sable executes the Sable bomb, her signature move, on unlucky victim Jacqueline. **Below right:** Sable and husband "Marvelous" Marc Mero, who have a "happy and loving" marriage, battle it out. Can you guess which Mero wears the hotpants in the family?

*Sable*

"The rule in wrestling is that there are no rules," Sable says. "You're not supposed to use a closed fist, but that's done every day. As long as the referee doesn't see, you can pretty much get away with anything. In terms of other wrestlers, I idolize no one. I appreciate anyone who is motivated to be the best they can be. That applies to life in general."

## PLAYBOY'S OTHER BUNNY

Of the thousands of gorgeous models Bunny Yeager has photographed in her 40-year career, Bettie Page is the most famous. But Bunny also discovered Lisa Winter, one of our most popular Playmates ever, and authored 24 books on glamour photography. She even dated Joe Di-Maggio. While Bunny's photographic role has mainly been behind the lens, she's now offering the 11" x 14" signed and numbered nude self-portrait pictured above that reveals what we've all been missing. It's sure to become a collector's item. Send \$30 to Bunny at 9310 N.E. Sixth Avenue, Suite C-311, Miami 33138.
